Alice

Sarah is absolutely amazing, she is very attentive and she gets along with my puppy very well.  
Thanks Sarah !

### About

I am a second year collage student who love dogs. I’ve taken care of more than 30 dogs with 3 being my family dogs and the rest being my neighbors. I received professional dog training certified, but currently I am only dogwalking to balance the heavy school work. I would love to meet you at nearby coffeeshop to get to know your puppies
